The December planning meeting was held on December 17<sup>th</sup> at Woodinville Water District. Those in attendance were Tim Cantwell, Tony Peredo, Chris Sutton, Dennis McLaughlin, Bob Eastwood, Linda McMurphy, Casey Parks, Mary Gonzales, Mark Mahoney, James Salter, Debbie Crooks, Mark Mahoney, and Carla Snyder.

Dennis McLaughlin gave the treasurers report. The bank balance is \$21,331.88. Dennis has completed all of the paperwork and red tape with the IRS. We are now operating legitimately with Federal and State Governmental agencies and will be filing a tax report in February. We should all be very grateful to Dennis for the countless hours he has spent to get this on-going problem resolved for us.

Dennis is meeting with vice chair, Chris Sutton very soon to add his name to the checking account, so two officers have access to check writing. They have chosen to move the bank account from Key Bank to Home Street Bank with hopes of receiving better customer service. Along those lines, at the January meeting we will be discussing what limits should be associated with the checking account. We also would like to open the discussion of what is expected and specific duties of the officers. The roles have not been clearly defined in the past and we would like to work on some clarification.

Apologies for a short newsletter, but the secretary was not at the meeting and information is rather scarce! Below is the 2015 calendar. Keep in mind that there are still some holes in the schedule. We are looking at holding the BAT meeting at La Quinta in Tacoma instead of Bellevue this year. There will be more information soon. The April meeting on fire systems is still up in the air, and I'm not sure if we have a guest speaker for that. Everyone always enjoys a good field trip in July, so if you have any ideas or contributions for these months, please let us know!

There has been some discussion of moving the annual picnic; again your input is needed. The May meeting at Mercer Island is also tentative. Sandy is not sure she will have a venue available for us to use. So that's what we have for now.

The next meeting will be held at Coal Creek Utility District on January 21<sup>st</sup> at 10 AM. Address is 6801 132<sup>nd</sup> PI SE, Newcastle 98059

Remember to pay your 2015 dues ☺
